ANSA INTRODUCES NEW TOYOTA ECHO EXHAUST COVERAGE

Macon, GA – ANSA Automotive announces a new direct-fit, original equipment replacement rear muffler for the 2000-2004 Toyota Echo 1.5 (Part #TY30047). This part number represents a popular application for the import undercar marketplace and the company's continued expansion of the ANSA® OE replacement exhaust line. ANSA replacement exhausts are fully aluminized and offer fit, appearance, and performance that meet or exceed OE standards – all at a competitive price.
