Scheid Diesel Silverline™ Dragster Rail Sets National Record!

(Macon, GA) – The Scheid Diesel Silverline diesel dragster made history at the Muncie Dragway, October 18, 2008 in Muncie, Indiana and is now the official DHRA National Record holder for the fastest diesel powered vehicle in the quarter-mile.

Scheid Diesel Silverline™ Race Team driver Bo Layne made the diesel record-breaking quarter-mile run of 6.908 seconds at 203.71 mph. This is the first and currently the only diesel powered vehicle to break the 200mph barrier in the quarter-mile. Silverline Stainless Steel Exhaust by ANSA is proud to be the major sponsor of the Scheid Diesel Dragster for the 3rd year in a row and we congratulate the team on reaching this major milestone!

To meet the Scheid Silverline Race team, come to the ANSA/Silverline SEMA booth #22723 on Nov. 5th from 9 – 11:00 AM and Nov. 6th 1 – 3:00 PM.
